Welcome to North Raleigh Psychiatry! We look forward to providing you with the highest quality care and trust. We hope you will find our staff friendly and helpful. It is our belief that establishing a written financial and office policy is mutually beneficial to all parties. It is our goal to avoid any miscommunication or concerns regarding financial matters in order to focus our energies on providing excellent healthcare services to our patients. If you have any questions regarding any of the information below, please feel free to speak with any of our office staff.

PAYMENT OF SERVICES

Payment in full is expected at the time services are rendered. Patients with insurance coverage in which we participate will be asked to pay all applicable copays, coinsurance and/or deductibles. Self-pay patients will be asked for payment in full; there will be an additional \$10 billing fee assessed for less than full payment. Prior balances on your account must be paid in full within 60 days unless other arrangements have been made **in advance** with our office. In the case of services provided to patients under the age of 18, the parent, legal guardian or other court appointed representative who signs the registration paperwork for the minor will be responsible for payment. **We do not bill another individual for payment unless legal documentation is provided.** We accept cash, checks, money orders, Mastercard, VISA and Discover. At this time, we do not accept American Express or travelers checks.

MISSED / LATE CANCELLED APPOINTMENTS

Please call our office during regular business hours to schedule, cancel or change appointments. You may be charged a fee for any appointments missed or any appointment that is cancelled and/or rescheduled with less than one business days' notice. Patients who arrive late for their scheduled appointment may be asked to reschedule and may be assessed a fee. This fee is due and payable before your next appointment, unless other arrangements have been made with our office. These charges are not filed with insurance, as it is a non-covered service. Although our office uses automated appointment reminders when possible, **they are not guaranteed, and are done as a courtesy only.** It is expected that the patient or guarantor will be responsible for remembering their appointments regardless of the reminder call.

INSURANCE & CLAIMS FILING

We have physicians that participate with only a few insurance plans. **We do not file claims to any insurance in which we do not participate.** Each insurance plan has different benefits for you as well as different financial obligations. Not all insurance policies cover all services. It is ultimately your responsibility to check with your insurance company to determine covered benefits. **PLEASE NOTE:** The agreement of the insurance carrier to pay for health care is a contract between you and the insurance company. Any questions or complaints regarding coverage or benefit payments should be directed to your insurance company.

If we participate with your insurance plan(s), we will file your claims for covered services to said insurance(s) with the understanding that: 1) You authorize payment of benefits to be made to North Raleigh Psychiatry; 2) If your insurance denies your claim(s), you will be responsible for full payment within 30 days of said denial(s), or within 30 days of the first billing statement sent to you by North Raleigh Psychiatry following the receipt of the denial(s). **NOTE: North Raleigh Psychiatry will not file any claims for non-covered services, which may include phone consultations or other services provided after regular office hours by the on-call physician.** Supplemental insurances will not be filed unless we participate with both the primary AND supplemental coverage.

PRESCRIPTION REFILLS

All prescriptions can now be sent to your pharmacy electronically, including any controlled substances. **PLEASE DO NOT WAIT UNTIL YOUR MEDICINE RUNS OUT TO REQUEST A REFILL,** as it may take up to three (3) business days to process your prescription request(s). We reserve the right to charge a fee for any prescription request(s) resulting from non-compliance with follow-up and/or missed or cancelled appointments. **There is a \$20 fee for prescriptions requested to be filled within twenty-four (24) hours.** Please ask to speak with a staff member for same-day fill requests.

AFTER HOURS PHONE CALLS

There may be a minimum \$20 fee for NON-EMERGENT after-hours phone calls placed with the physician on call, which includes any requests for medication refills. The physician on call will make the determination as to whether the situation is an emergency and whether a fee should be charged. This fee is the patient/guarantor’s responsibility and is NOT billed to insurance.

PRIVACY/HIPAA

Our office complies with the Health Insurance Portability and Accountability Act (HIPAA). We respect the privacy of our patients and will not release any information to any party without the written consent of the patient or responsible party, except in any case where required by law or as allowed by HIPAA. **Any exceptions to this policy must be provided to us in writing.** We encourage you to read the privacy notice so that you may understand your rights under HIPAA law. All signed releases provided to us are valid until revoked in writing. Our privacy notice is available on our website or you may request a copy from our office. NOTE: The transmission of messages or other information via email is NOT secured or protected by HIPAA. **To ensure the privacy of our patients and/or clients, the use of any recording devices within our office is strictly prohibited.**

OTHER FEES

- a) There may be a fee charged for the completion of forms or letters, such as disability, Family Medical Leave Act (FMLA), attending physician statements (APS) or any other miscellaneous forms or correspondence not associated with the reimbursement of a claim. The fee is based on the length of time required to complete the form(s) and payment is expected prior to the release of the completed form.
- b) A service fee will be assessed for all returned checks. The service fee and the unpaid balance must be paid by cash, debit/credit card or money order.
- c) A service fee will be assessed for the refiling of insurance claims due to incomplete/incorrect information given.
- d) Our physicians reserve the right to charge for any phone calls resulting from or relating to: non-compliance with follow-up, missed or cancelled appointments, preparation of forms, request for medication changes or medical advice without an appointment, or other services provided during any call lasting longer than 5 minutes.

COLLECTION OF ACCOUNT

In order for us to service your account and/or to collect any amounts you may owe, you or the responsible party for the account may be contacted by telephone at any number or email associated with the account, including any wireless phone numbers provided, which may result in charges to you. Methods of contact may include pre-recorded/artificial voice messages, text messages, email messages and/or the use of automatic dialing devices where applicable.
